The Evans Way

Building The Highest Quality Homes

At Evans Homes we are proud of the reputation of the Evans name and take a genuine pride in what we create.

Standing out from the crowd, Evans Homes brings outstanding new housing that meets the lifestyle demands of modern living. Our skill is not only in building the highest quality homes, but also in creating homes of character and individuality and meeting high standards in energy efficiency and sustainability.

Choosing a new home is an extremely important decision and we work hard to make your experience a happy one. A place to create memories that will last you a lifetime.

Regency Place, Tockwith

Building Your Home with The Future in Mind

All new homes at Skelton Lakes are being built with the future in mind, meeting the very latest Building Regulation Part L 2021, which set new standards in energy efficiency and sustainability for the UK's new homes.

At the sharp end of the system are the PV panels in your roof using semiconductor cells to, in effect, convert photons into electrons.

The case for harnessing this energy has never been greater, both environmentally and financially - they are cheaper and more efficient than ever before.

Skelton Lakes

Welcome to Skelton Lakes

Enjoy The Feeling Of Living In Your Dream Home

Evans Homes residential development at Skelton Lakes is a collection of 2,3,4, and 5 bedroom homes offering style and an outstanding specification in a great place to live.

Ideally situated within the Skelton Lakes neighbourhood, our range of new homes embodies the essential ingredients for modern living. Every single aspect cries out quality and style. Each home combines the very best use of space and design to meet the lifestyle demands of living today.

"We know that choosing a place to live is one of the biggest and most exciting decisions that you will make"

Built with the future in mind, in roof PV panels will provide energy efficiency and sustainability.

Skelton Lakes

Skelton Lakes

Skelton Lakes Neighbourhood

Creating A Vibrant New Community

Close to the bustling centre of Leeds at junction 45 on the M1

The former colliery site Skelton Gate is being transformed into the new Skelton Lakes neighbourhood, to provide high quality residential homes within the Leeds Aire Valley.

Facilities for residents will include primary and secondary through schools, and plans for a local centre. Additionally, there are several Ofsted-rated good to outstanding primary schools within a 5-minute drive of Skelton Lakes. Outdoor leisure opportunities include a nature reserve around Skelton Country Park, a green space and lake with amazing cycling and walking routes. Also close by is Rothwell Country Park, a peaceful spot offering the sights and sounds of nature. You will also be able to discover Temple Newsam, an historic house on a country estate surrounded by scenic parkland.

All this is just a short connection away from the benefits of the cosmopolitan city of Leeds. Bursting with life and cultural energy you will find a renowned retail destination and the city of Leeds has some of the best venues in the country to provide entertainment and experiences, including a thriving independent food scene, fabulous bars and restaurants.

Skelton Lakes has nearby access to transport links. Woodlesford railway station is close by with direct services to Leeds and Sheffield stations. Leeds Bradford Airport is within easy reach from Skelton Lakes.

Garforth ountry Park. This nature reserve sit. Ywell Colliery which produced coa t on 9th December 1983.

ne woodstrast that are a key feature of the site are all young plantation woodlands, a key feature of the site are all young plantation woodlands, many of the trees you will see include silver birch, field maple, hazel and scots pine. The woodlands are home to many small birds and mammals. With all the different habitats found in the eark in reviewe a feature to prove to exercise the park it provides a fantastic home to many species.

Much of the work that keeps this wildlife site unique and Nuch of the work that keeps this whome site unique and diverse is carried out by our dedicated volunteers. If you would like to join us and help make a difference please get in touch volunteering@ywt.org.uk

Yorkshire Wildlife Trust and Leeds City Council are working collaboratively to deliver a better future for Yorkshire's wildlife. Rothwell Country Park is one of ten sites owned by Leeds City Council and managed in partnership with Yorkshire Wildlife Trust. By working together we hope to make Leeds a green city with thriving wildlife populations. These ten sites sit within the Lower Aire Valley, a corridor of green spaces that allow wildlife populations to move and expand, thus increasing their chances of survival in a changing climate.
